# AFFORDABLE TOWNHOMES FOR SALE AT 1021 E. ST. JOHNS AVE

'A at St. Johns' is a 6-unit townhome development serving households with a median family income (MFI) of 80% and below. The project features three affordable 2/2 townhomes and three market-rate 3/2 townhomes. The community has high-transit access with close proximity to the Capital Metro 10, 300 and 485 bus stops and walking distance to neighboring parks, new developments and extensive supportive services.

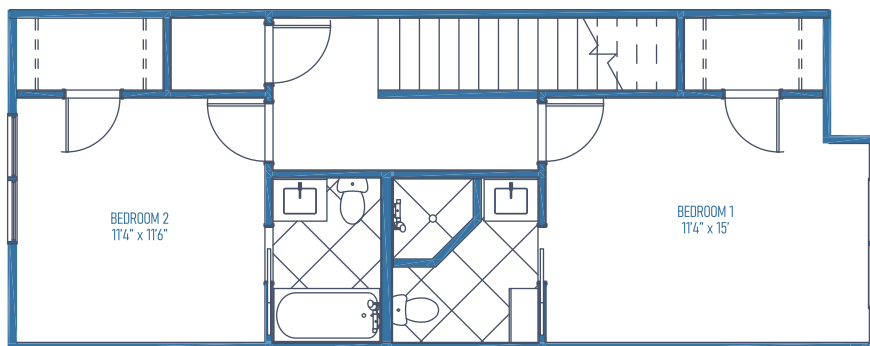

Capital A Housing has developed the successful 17 affordable townhomes project, 'A at Lamppost', and have broken ground on 'Seabrook Square' - a 262 unit multi-family development in East Austin.

We are continuously developing plans for more affordable housing opportunities in Austin. Please visit [capitalahousing.com](https://capitalahousing.com) to check out our latest projects.
